

The Mission of St. Thorlak

*Contemplative Prayer + Contemplative Action
Living with Autism*

“Do I need to be Catholic to partake in The Mission of Saint Thorlak?”

No. The only requirement is your humanity. (Honest.)

Some things you should know:

- We are operated by people of the Roman Catholic faith.
- We come from a background of Roman Catholic tradition and principles, frequently referencing Church Fathers and wisdom from saintly men and women.
- We are, and intend to remain, in line with the teachings of the Roman Catholic Church, regardless of who wishes to visit our website or use our material.
- We are here to help you pursue and discover your spiritual purpose, no matter what your background is.
- If you have questions about, or concerns with, our faith and perspectives, we encourage you to ask, consider and ponder everything. Never stop asking until you are satisfied.
